**Notes to Annual Budget**  
**2015**

- **Note 1:** Monthly Fees collected from Neighborhood Associations for owners or purchasers in each neighborhood during 2015.
  
- **Note 2:** Each Neighborhood Association is a member of Circle Square Ranch Master Association. The Master Association is tasked with providing services and amenities for the benefit of all residents living at On Top of the World and Stone Creek that are not delivered through the Neighborhood Associations or Community Development Districts (CDD). Circle Square Commons is operated by the Master Association. The Master Association is also responsible for maintenance and landscaping on the main boulevards throughout the communities. The Master Association is providing the amenities through a Master Services Agreement with Parkway Maintenance and Management Company.
  
- **Note 3:** Insurance expense is for general liability and Directors and Officers insurance for the Master Association.
  
- **Note 4:** Expenses relate to filing fees for the State of Florida for the Master Association annual report, real estate taxes on the common property in the Master Association.
  
- **Note 5:** The Association has an operating budget in excess \$400,000, under Florida Statutes; the Association must provide owners an annual Audited Financial statement. A CPA firm performs the audit. The Master Association also has tax returns and state filings annually.
  
- **Note 6:** Parkway Maintenance and Management Company elects not to bill the Master Association for all of the Services and the cost of operating the Amenities in Circle Square Commons as a way of offsetting the monthly assessment to the Members of the Master Association.
  
- **Note 7:** The Special Benefit area deduction for Stone Creek owners is the cost of right of way maintenance for SW 90<sup>th</sup> Terrace from SW 80<sup>th</sup> Street to State Road 200. The deduction for On Top of the World Communities is the cost of repairs for SW 63<sup>rd</sup> Street.
